

EYFS Sept 2020

Welcome to the new 2020 starters!

A huge hello and welcome to the new children and families joining our Gillingstool family in September.

We are very pleased that you have been offered a place for your child/children at Gillingstool Primary School and look forward to meeting you.

We will be in touch soon with some key information but in the meantime please do check out the school website to find out all about us and have a look around our school by clicking the school photos link.

Thank you again for choosing Gillingstool Primary School.
